Scott Reese, 4-H Youth Development

Jennifer Richards, 4-H Youth Development

General Outdoor Recreation, Camping & Hiking

- Explain the importance of each of the 10 essentials of outdoor activities.
- Create a simple outdoor recreation first aid kit.
- Prepare a nutritious snack to take on an outdoor adventure.
- Demonstrate how to set up a tent and/or hammock.
- Learn how to safely build a campfire and demonstrate this skill with an adult.

Fishing

- Summarize local laws and regulations related to fishing.
- Define the following terms: tackle, lure, line weight, game fish.
- Identify the parts of a fish.
- Describe elements of safely casting a line.
- Compare and contrast spin casting, spinning and bait casting.
- Tie a clinch knot and a Palomar knot.
- Successfully bait a hook for fishing.
- Catch a fish with any type of rod and reel.

Firearms

- Describe the importance of basic firearm safety.
- Discuss the rules and regulations for transporting and storing firearms and demonstrate to an adult how to safely transport a firearm.
- Identify the major components and uses of a rifle, shotgun and pistol.
- Demonstrate safe gun-handling with an adult using the acronym MAT:
 - **Muzzle** in a safe direction.
 - **Action** open and unloaded.
 - Finger off the **Trigger**.

Outdoor Recreation/Shooting Sports Outcome – Beginner 1-2 Years

- Watch an adult clean and store a firearm safely.
- Participate in a live-fire activity in your shooting sports discipline.
 - Define eye dominance and show someone else how to check their eye dominance.
 - Explain sight alignment.
 - Explain why proper breathing is important when firing a shot.
 - Demonstrate proper gun passing.
 - Develop stamina to shoot a certain number of shots within two hours.
 - Score targets.
 - Consistently follow five fundamental safety rules: muzzle control, action open and empty, finger off trigger, eye and ear protection, and personal responsibility.

Archery

- Describe the importance of basic archery safety.
- Correctly identify the different types of bows.
- Label the parts of all types of bows.
- Name and identify the parts of an arrow.
- Under the supervision of an adult, clean and store a bow safely.
- Identify proper protective equipment (shoes, arm guards, release, finger guards).
- Participate in a live-fire activity in archery.
 - Define eye dominance and show someone else how to check their eye dominance.
 - Explain sight alignment.
 - Explain why proper breathing is important when firing a shot.
 - Develop stamina to shoot 40 shots at one standing.
 - Score a target.

Hunting

- Explain where to find information on Tennessee's general laws and regulations for hunting.
- Given a picture, identify all of Tennessee's game animals by sight.
- Review basic firearm and archery safety.
- Describe and demonstrate stalking.
- Discuss the importance of camouflage.
- Go hunting for at least one type of Tennessee game.

UTIA.TENNESSEE.EDU

Programs in agriculture and natural resources, 4-H youth development, family and consumer sciences, and resource development. University of Tennessee Institute of Agriculture, U.S. Department of Agriculture and county governments cooperating. UT Extension provides equal opportunities in programs and employment.
